My name is Don Yarrington. I developed a severe wound on my foot caused by complications from diabetes. When standard treatments failed, my doctor sent me to Galesburg Cottage Hospital's Wound Healing Center. They treated me with hyperbaric oxygen therapy. And now, the wound that wouldn't heal ... is healed. Galesburg is lucky to have such a wonderful place. And so am I.

If you have a wound that won't heal, ask your doctor about our Wound Healing Center. Or call (309) 345-4216.
